Total Strongyle	170	Liver Fluke Test Results Not Tested	
Total Nematodirus	0		
Total Eggs / Gram	170		
Test Type	Standard		

Thankyou for your support,

Guide to using results

- < 200 EPG Drenching probably not required
- 200 - 500 EPG Seek Advice
- > 500 EPG Drench probably required

Tom and Fiona Shuttleworth.

Liver Fluke Test Results are represented as either positive or negative as opposed to roundworm test results that are represented in eggs per gram, If Positive drenching and management actions are required.
